Workshops, Courses and Training

Please click here to view [workshops, courses and training](#) available for this academic year.

DSPL3 SEND Coffee Mornings

- ◆ **15th July 10-11:30am**—Buntingford First School, Buntingford

Transitions

- ◆ Good transitions are vital! We want you to know about the wonderful things we are doing to help give your child the best chance of success in their new setting:
- ◆ **Outreach Teacher**—supporting targeted pupils from Year 5
- ◆ **Transition Workshops**—we are putting on 4 training sessions across the area (Hertford, Ware, Bishops Stortford and Buntingford). Someone from your school (the year 6 teacher, SENCO, pastoral lead, TA etc) can book on and will be given everything they need to then deliver the training directly to their Year 6 class to help get them 'Secondary School ready'. (Please note the workshops are also appropriate for the First/Middle/Upper Schools in our area)
- ◆ We have produced a **Transition Guidance** document which we consider to be the minimum standard - it has relevant sections for the Primary School, Secondary School and Parent/carers in it, so we are all working together. There are some really simple ideas and advice in there such as practicing your child's bus journey at the correct time, trying on uniform and cutting out labels, packing school bags and PE kits - please take a look to see how you can help prepare your child in advance. This is available on our website at the bottom of our Transition page [here](#).
- ◆ **Annual SENCO Transition Event** - Last year we piloted this for the first time and it was such a success it has now become a firm fixture in the calendar. This year it took place on the 5th May and lasted all day. First and Primary Schools were able to book timeslots with Secondary schools in advance. There were over 180 timeslots booked and attended with over 500 pupils discussed in just one day! The idea is that any pupil that may struggle with the Transition from one School to another gets discussed between the current SENCO and the new one. We do not limit the discussions to those children with EHCP's as they are expected and information is already known about them, the pupils that fall through the cracks are often those that do not have EHCP's and may have gone under the radar until such a huge change takes place. We believe that a face-to-face discussion can sometimes be more valuable than something you may read on a form or paperwork - talking about a child's strengths, the things they may struggle with or trigger
