Early Years Pathway

- ◆ Over the last 8 months a multiagency group which included HCC (Hertfordshire County Council), HCPI (Hertfordshire Parent Carer Involvement), Family Support and PHN team (Public Health Nursing) have been working on the development of an EY Pathway to inform parents of the EY (Early Years) journey and how to access support from all of our services if they have concerns about their child's development.
- ◆ The EY pathway has now been printed and includes a link tree with links to all services which gives further information to parents in an easy and accessible format. The colourful and fun but informative EY pathway is given out to parents and is being placed in the personal child health record (PCHR, also known as red book) as part of the New Birth visit and to any parent that attends any appointment with the Health Visiting team.

Reducing Parental Conflict Planning Tool Survey for Practitioners and Managers 2024

We are asking you to take part in a short stakeholder survey about reducing parental conflict (RPC) agenda. The Council are working with partners locally and nationally to support the development of an RPC agenda to support healthy relationships in families. This survey includes some information about parental conflict, and 11 questions to complete. The survey should take no more than 3 minutes in total.
